

STATE OF CONNECTICUT  
DEPARTMENT OF EDUCATION

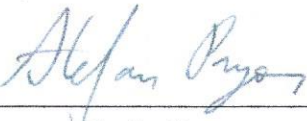

Dear Early Childhood Educator:

Attached is your Early Childhood Teacher Credential. This credential is an official document which authorizes you to be employed as a teacher in an early childhood education program that accepts Connecticut state funding, such as the School Readiness Grant, the Child Day Care Contracts and the State Head Start Supplement Grant. **This credential does not authorize service in a position that requires educator certification. Different levels of the credential may expire in accordance with legislation. Refer to the guidance provided to programs receiving state funds for dates or changes in dates.**

Please check the information on your credential for accuracy and contact the Connecticut State Department of Education (CSDE) if you find errors. If there is any inaccurate information, please notify us in writing stating the specific error to the Bureau of Early Learning and Development using the address on this letterhead. When corresponding to the CSDE, please include your full name, current address, Registry Identification Number and your telephone number(s), along with the best times you can be reached.

Carefully note the age group(s) for which you are endorsed. It is your responsibility to maintain ongoing professional development and documentation of attendance in accordance with applicable governing and/or approval entities, including, but not limited to, the CSDE, the Department of Public Health Licensing, the National Association for the Education of Young Children (NAEYC) and Head Start.

On behalf of the State Department of Education, we wish you every success in your professional career.
